

# IEPG @ IETF 125

The logo graphic consists of two overlapping chevron shapes pointing to the right. The front chevron is blue, and the back chevron is light green.

# IEPG

The IEPG is an informal gathering that meets on the Sunday prior to IETF meetings.

The intended theme of these meetings is essentially one of operational relevance in some form or fashion - although the chair will readily admit that he will run with an agenda of whatever is on offer at the time!
